Description:		

Located along the hills of La Cala Golf, it is an exclusive community. Designed by the famous González & Jacobson Architects, it has luxurious residences in a wide variety of styles, along with large landscaped areas and swimming pools. This residential is surrounded by 3 magnificent golf courses that offer a unique challenge for the golfer, located in a beautiful landscape that respects the natural beauty of the environment, where the native vegetation proliferates with a variety of flowers, trees, birds and life wild. The residential complex has 48 homes in total, divided into 44 apartments with 2 and 3 bedrooms, luxury penthouses and 4 terraced villas with private gardens and swimming pools. Designed by the prestigious González & Jacobson Arquitectos studio, the houses have a contemporary style that creates spaces full of harmony, light and maximum comfort. A natural refuge where you can relax on a walk from all the wonders that this privileged location offers us ... Sun, Beaches, Culture, Leisure, Gastronomy, Sports and GOLF, much, much GOLF .. The set consists of 5 blocks that are distributed by hill taking advantage of the natural unevenness of the land to create beautiful corners in the gardens and enjoy the feeling of spaciousness. Different solutions to have maximum security and technology for your comfort, providing the necessary quality for a perfect result.
