From the Hall we access the large independent kitchen (although attached to the living room in case you want to join) where in addition to having more than enough storage space, there is space to put a table of a sufficient size to eat comfortably. It also has an exit there is the balcony. Leaving the kitchen to the right we go to the large bedrooms area, where we find 1 bathroom with a separate shower, and another en suite bathroom in the main room with a bathtub. Both bedrooms have fitted wardrobes with interior lining, high quality double glazed windows and shutters. The house is ready to move into, it is ideal for families or couples who enter their first home, in an area with a very good public transport connection, access to the Mediterranean motorway (only 15 minutes from the airport and 20 minutes from Malaga and Marbella) Within walking distance you have
